Company Overview

Bushbird Consulting was established in 2020 by Jaco Rautenbach after discovering the need for Forest and Veld Fire Fighting Equipment as well as the repairs thereof. The decision was taken to start Bushbird Consulting and to fill the gap in the market. Jaco is well known for Forest and Veld Fire Fighting in the area and knows the products and equipment extremely well because of his experience in firefighting. In the past 4 years Jaco spend approximately 17520 ours on the fire line fighting wildland fires and doing controlled burns!

We provide our services to a big number of landowners in the area as well as several Big Game Farms. Not only by supplying their firefighting equipment but also doing their fire breaks, controlled burns and assisting them with firefighting.
